Dear Ms. Smith:

The Sacramento Crisis Nurseries recently received a large donation of diapers and baby wipes delivered by The Growing Company on behalf of BOMA. On behalf of the Sacramento Crisis Nurseries and the children and families we serve, thank you for your donations. Your donation is greatly appreciated and will directly benefit the children at the Crisis Nurseries.

Children ages 0-5 years are at greatest risk of neglect and abuse when families are experiencing stress or are in crisis. Stress or crisis in families can be brought about by unemployment, homelessness, domestic violence, medical or mental health issues, or drug or alcohol. *The Sacramento Crisis Nurseries' mission is to prevent child abuse and neglect by providing support to families at a time of extreme stress or crisis.* Depending on the needs of the family either emergency child care services or overnight shelter is provided for the children in a safe, caring, loving home. Parents or guardians are provided resource referrals and assistance to access community service agencies such as employment, housing, domestic violence, medical or mental health, counseling, legal, or education providers.

It is because of the support of dedicated individuals, local businesses, civic organizations, and private foundations that the Sacramento Crisis Nurseries is able to provide safe shelter for children and support services to parents and guardians. With your support, the Sacramento Crisis Nurseries can continue providing services to strengthen families.

Sincerely,

Dear BOMA Members:

Please accept our heartfelt thanks for your wonderful donation of \$1,000.00 for the women and children we serve here at Wellspring. Without your generosity, we would be unable to provide a place of safety and respite for our most vulnerable community members here in Oak Park.

The women and children who enter our doors each morning know that they can find a place where they are treated with dignity and respect. Staff and other guests can be compassionate friends when life throws them challenges, and rejoice with them in their successes as well. They and their children can start their mornings fortified by breakfast and nurtured by a sense of belonging. Most of them face difficult days, and it is indeed a blessing to see their smiles and hear their laughter, knowing that, to them, Wellspring represents hope.

You have been a constant friend to these women in many ways, and you have enriched their lives immeasurably. Once again, thank you.

Sincerely,

Dear Friends of WIND,

On behalf of the staff, the Board, and especially the homeless youth we serve, I want to thank you for your generous gift. Your donation of backpacks loaded with school supplies dated 7/19/08 directly helps WIND Youth Services meet the needs and improve the lives of the children in our programs.

While our organization provides shelter and basic survival assistance, we reach far beyond that to provide the education, skills and tools that are essential to helping these youth move from crisis to healthy functioning and independence.

We know our kids will enjoy having their very own backpacks and supplies, but even more importantly, they will know that there are folks in the community who care about them and who have taken the time to do something special just for them.

Thank you again for your generosity.

Sincerely,

Missy Kinder
